Total State Sector Impacts

Net Lending/(Borrowing):	-	-	-	-	-
---------------------------------	---	---	---	---	---

Notes and costing assumptions

This proposal is to stop privatisations in general, and specifically there will be no privatisation of NSW hospitals, water, electricity or public transport services.

This proposal has no budget impact. In line with usual NSW budget practice, planned sales of business assets are not recognised in the Budget until the transaction is completed.
