

Election Costing Request Form

Details of request	
Party:	Liberals & Nationals Government
Name of Policy:	Before and After School Care
Date of request:	12 March 2019

Description of policy	
Summary of policy (please attach copies of relevant policy documents and include information on what the policy aims to achieve):	<p>The Liberals and Nationals will provide access to more before and after school care across NSW.</p> <p>This policy will be made up of the following components:</p> <ul style="list-style-type: none">• A \$50m minor capital works fund for public primary schools to apply to for minor work upgrades to support before and after school care facilities;• A rental subsidy of up to \$15,000 per year to support child care providers using school facilities and increase affordability for parents; this subsidy will be available from 1 July 2019;• An expert team in the Department of Education to broker local solutions to facilitate expansion of before and after school care services;• This expert team will also have access to a \$20m fund to specifically address implementation issues associated with before and after school care, with a focus on rural and regional sites;• Development of an online portal and mobile app for parents to register their interest in a before and after school care services.
Has the policy been publicly released yet?	No

	2018/19 \$'000	2019/20 \$'000	2020/21 \$'000	2021/22 \$'000	Total \$'000
Impact on GGS expenses					
Impact on GGS revenue					
Impact on General Government Sector (GGS) net operating result ¹					
Impact on GGS capital expenditure ²					
Impact on GGS net lending/borrowing					

Note: Has the policy been costed by a third party?
If yes, can you provide a copy of this costing and its assumptions?

Key assumptions made in the policy	
Does the policy relate to a previous announcement? If yes, which announcement?	No
What assumptions have been made in deriving the financial impacts in your estimated costing? <i>(See checklist)</i>	<p>For existing providers on public primary school sites, a fund of \$10m per financial year will be established each year for providers to apply to subsidise their rent. The rental subsidy fund is to commence 1 July 2019, with the fund to be pro-rated.</p> <p>The team of specialists will be led by a coordinator at ED level, with support personnel at varying levels.</p> <p>The infrastructure and implementation funds will both commence on 1 July 2019.</p> <p>Implementation team will have 5 Grade 9/10 staff and 5 Grade 11/12 staff</p>
Is there a range for the costing or any sensitivity analysis that you have undertaken?	

¹ Negative for a saving that reduces expenditure

² Negative for a reduction in capital expenditure.

Are there associated savings, offsets or, in the case of a revenue proposal, offsetting expenses? If yes, please provide details.	
Are there significant costs or savings outside the forward estimates period which should be considered in costing this policy? ³	

Administration of policy	
Intended date of implementation:	1 July 2019
Intended duration of policy ⁴ :	
Who will administer the policy (e.g. Government entity, non-government organisation, etc.)?	Department of Education will administer the policy; with the exception of the expert team, any other administration costs are taken to be within existing resources. DFSI will be responsible for the development and delivery of the online portal.
Are there any specific administrative arrangements for the policy that need to be taken into account (e.g. agreements between different levels of government)?	
Are there transitional arrangements associated with policy implementation?	

If the policy is mainly an expenditure⁵ commitment	
Demand driven or a capped amount:	
Eligibility criteria or thresholds:	

If the policy is mainly a revenue commitment	
Transaction based or capped:	
Thresholds and/or exemptions:	
Collection method:	
Additional expenditure associated with collection:	

³ Particularly important for large projects with long lead times, policies with a delayed timetable for implementation, or policies where up-front investment is required to achieve long term savings.

⁴ Where a policy is intended to be ongoing, please indicate "ongoing" in the space to the right

⁵ Expenditure is operating expenses, e.g. salaries, interest cost and grants. Expenditures are fully included in the impact on operating balance.

If the policy is mainly a capital costs⁶ commitment	
Nature of Capital Spending	
Type of work, size and capacity:	
Proposed start and completion date of work:	
Intended construction schedule/cashflow:	
Associated asset sell off (if any):	
Recurrent Impacts	
Offsetting expenditure savings:	
On-going maintenance, depreciation and operational expenses:	
Third party funding involvement:	
Delivery model ⁷	

Checklist for key assumptions (please be comprehensive and include all relevant assumptions). Assumptions could include, but are not limited to, questions such as:

- What is the expected community impact?
- How many people will be affected by the policy?
- What is the likely take up or other behavioural response you expect?
- Is there a cap on total spending proposed, a funding formula, resource agreement or other mechanism of this nature associated with the policy?
- Will third parties have a role in funding or delivering the policy (e.g. Commonwealth Government)?
- Will funding/program cost require indexation?
 - If yes, do you have any assumptions about the index that should be applied?
- What assumptions have you made about costs of administering the policy?
- Will additional staff be needed in the agency responsible for the policy?
 - How many and at what approximate levels?
- Are there other resources required?
- Are you assuming administrative costs will be absorbed within the agency?

Please note that:

- The costing will be on the basis of information provided in this costing request.

⁶ Capital costs differ from expenditure in that only depreciation will be included in the impact on operating balance.

⁷ There is a range of possible delivery models, e.g. built, owned and operated by a NSW government agency; built and transferred to a private operator; privately built for public operation; privately built and operated with government assuming risk or providing a guarantee in relation to future income (often applicable to public/private partnership arrangements), and so on. The policy should provide assumptions about the proposed delivery model.

- The PBO is not bound to accept the assumptions provided by the requester. If there is a material difference in the assumptions used by the PBO, the PBO will consult with the requester in advance of the costing being completed.
- Where the details of the policy costing request differ from the announced policy, the costing will be on the basis of the information provided in the costing request.
- These guidelines are intended to facilitate requests for costing election policies. Persons preparing such requests who wish further assistance are invited to contact the staff of the Parliamentary Budget Office.
