

Dear Parliamentary Budget Office

Could we please have costings for the following policy measures and revenue estimates for the revenue for the revenue measures. We appreciate that these are arriving late in the election cycle so we would like to receive the best you could supply by Thursday of next week.

Thank you

John Kaye
Greens NSW MP
Treasury Spokesperson and Authorised MOP for the Greens

Transport:

- ◆ Buyout of the privately owned airport stations – International, Domestic, Mascot, Green Square.
