RELEASE OF THE BUDGET IMPACT STATEMENT

The Parliamentary Budget Officer has published the [Budget Impact Statement](#) for the Premier and Leader of the Opposition.

The Statements show the costs of each proposed policy, and the total impact of the policies on the New South Wales budget for the current budget year and three forward years.

Parliamentary Budget Officer Stephen Bartos said “Budget Impact Statements allow voters to inform themselves about the costs of each side’s policies. Policy costing improves confidence in the NSW budget and the State’s fiscal integrity. The process helps improve both accountability and transparency. “

For queries about the costings, please contact the Parliamentary Budget Officer, Stephen Bartos, on 0423 808 313.

For queries about the policies themselves, please contact the office of either the Premier or the Leader of the Opposition. The PBO does not comment about the merits of any proposed policy.
