Legal Office of General Counsel
The Cabinet Office
Level 14, 52 Martin Place
SYDNEY NSW 2000

DGS24/2083

Dear Ms Frank / Ms Shumack,

I write regarding the Legislative Council order for papers under standing order 52 passed on 13 November 2024 and further passed again on 18 March 2025 in relation to the Early Childhood Education and Care Sector (SO52).

We enclose the re-produced bundle of documents, identified as privileged in the third return, but now redacted in accordance with the final report of the Independent Legal Arbiter (the Arbiter). I also note that the Deputy Premier and Ms Boyd have agreed to allow redaction of the personal information relating to educators contained within the documents. Your office and the LC Clerk have been advised of that agreement.

These are provided in response paragraph 4 of the Motion on 27 March 2025, requiring that all documents produced under the Orders of Wednesday 13 November 2024 and Tuesday 18 March 2025 are to be redacted in accordance with the Arbiter's final report.

Redactions have been made on all 328 documents. These documents are included in this return under the SO52.

Please note we have not drafted privilege submissions for this seventh tranche as the redactions only relate to the personal information, and we rely on previous submissions, the Arbiter's decision and the agreement between the Deputy Premier and Ms Boyd. We have also only provided a copy of the non-privileged documents as we have already produced the clean privileged documents.

The Department is continuing to collate and produce further documents relating to the SO52.

If you require any further information, please contact Sarah Hargans, General Counsel, Legal Services on 02 7814 3896.

Yours sincerely

Murat Dizder

DEPARTMENT OF EDUCATION

Dear Mr Blunt

I write regarding the Legislative Council order for papers under standing order 52 passed on 13 November 2024 in relation to the Early Childhood Education and Care (ECEC) Sector (the SO52 Resolution) and the final report of the Independent Arbiter, the Hon Keith Mason AC KC dated 20 March 2025 relating to a privilege dispute for the first return of documents for the SO52 Resolution (Report).

The Report noted an assumption that the parties would be able to agree on redacted versions of all the documents based on the Report.

In that regard, I wish to advise that the Deputy Premier and Ms Boyd MLC have agreed to the following:

- The offices and agencies named in the order will provide documents to the Parliament with the names and personal information (as set out in standing order 52 (7) (e)) of individual educators or witnesses to incidents redacted, as well as personal information that could identify an educator or witness where they have been the alleged victim of inappropriate behaviour or another similar incident, or the personal information is medical in nature
 - Anonymised information relating to educators will not need to be redacted where the names of educators and specific identifiable incidents as outlined above have been redacted
- Further potentially identifying information may be redacted in the event that an investigation into a matter is ongoing and an allegation has not been substantiated at the time of the release of documents, but the provision for the release of these documents, unredacted, is the same as is outlined below
- There will be an agreed upon easy/frictionless process for Ms Boyd or other Members to undertake to have unredacted versions of specified documents, with the names of individual educators provided, in the event that they had concerns about systemic, widespread, or other significant issues in the public interest with individual educators (the example given was an educator moving between multiple services and breaching the regulation at multiple services in a way that demonstrated that the RA had failed to act)
 - And this process is effectively Ms Boyd or any other Member informing the Department & Deputy Premier's Office that specific documents are to be provided publicly in line with the Arbiter's report, with a

reasonable timeframe (3 business days) given to the Department & Deputy Premier's Office for response

- The Independent Legal Arbiter will be made aware of this agreement

Attached to this letter at Tab A is a copy of an email chain reflecting that agreement between the parties.

I ask that this letter, along with Tab A, is provided to the Independent Arbiter for his information.

If you require any further information, I am available to discuss further with you or your office.

Yours sincerely

Subject: Early Childhood Education and Care sector - release of documents

OFFICIAL

OFFICIAL

Dear Ms Boyd,

Thank you for taking the time to discuss this matter with my staff.

The Government is extremely concerned about the potential for the publicising of any personal and health information in relation to educators that work in the early childhood education and care sector as a result of this release, and we thank you for working with us in good faith to address these concerns.

As per the conclusion of the Independent Legal Arbiter's report, we are seeking to formalise an agreement regarding documents that have already been returned under the order of the House made on 13 November 2024, any future documents returned under this order, and by extension any documents returned under the order of the House made on 18 March 2025, noting that you have kindly agreed to limit the scope of this order to mirror that of the order made on 13 November.

The agreement we propose is as follows:

- The offices and agencies named in the order will provide documents to the Parliament with the names and personal information (as set out in standing order 52 (7) (e)) of

individual educators or witnesses to incidents redacted, as well as personal information that could identify an educator or witness where they have been the alleged victim of inappropriate behaviour or another similar incident, or the personal information is medical in nature

- Anonymised information relating to educators will not need to be redacted where the names of educators and specific identifiable incidents as outlined above have been redacted
- Further potentially identifying information may be redacted in the event that an investigation into a matter is ongoing and an allegation has not been substantiated at the time of the release of documents, but the provision for the release of these documents, unredacted, is the same as is outlined below
- There will be an agreed upon easy/frictionless process for Ms Boyd or other Members to undertake to have unredacted versions of specified documents, with the names of individual educators provided, in the event that they had concerns about systemic, widespread, or other significant issues in the public interest with individual educators (the example given was an educator moving between multiple services and breaching the regulation at multiple services in a way that demonstrated that the RA had failed to act)
 - And this process is effectively Ms Boyd or any other Member informing the Department & Deputy Premier's Office that specific documents are to be provided publicly in line with the Arbiter's report, with a reasonable timeframe (3 business days) given to the Department & Deputy Premier's Office for response
- The Independent Legal Arbiter will be made aware of this agreement

We also propose to brief the Hon. Sarah Mitchell MLC on the above and provide her with a copy of this agreement.

Finally, the Government will not seek to amend Item 1857 before the House for formal business, subject to this agreement being acceptable.

Should this all be agreeable to yourself, we would greatly appreciate it if you would indicate so via email before the House sits today.

Kind regards,

Joanne Matthews
