To the Honourable the Speaker and Members of the Legislative Assembly of NSW. The petition of residents of NSW brings to the attention of the House that **Inner West residents are opposed to this Government's reckless sell-off of the services we rely on.** Residents have watched as services have been sold off, run down or outsourced, including Region 6 buses, local area commands, public housing, Petersham West St TAFE and Summer Hill ambulance station. Our schools are at capacity and our suburbs under threat from over-development.

We the undersigned ask the Legislative Assembly to call on the Government to stop the attacks on our public services and to rather invest in the public services on which we depend. WE MUST SAVE OUR SERVICES.
