Minister Howard

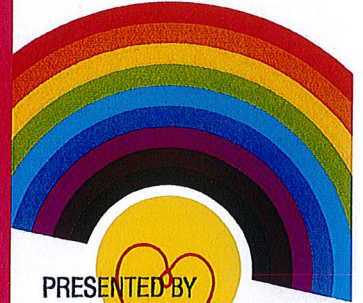

NSW PRIDE CENTRE

To the Honourable the Speaker and Members of the NSW Legislative Assembly. The petition of NSW residents brings to the attention of the House that despite significant gains, the LGBTIQ+ community in NSW continues to face barriers to full participation and equality.

A Pride Centre would give the community a place to gather, celebrate and organise. A Pride Centre is a dedicated space for LGBTIQ+ community groups to meet, hold events, run programs and progress LGBTIQ rights. World cities like Toronto, Amsterdam, Los Angeles and world-famous gay neighbourhoods including Brooklyn, New York, all boast pride centres and the Victorian Government is in the process of building one in St Kilda.

We the undersigned call on the Legislative Assembly to request the Government work with community stakeholders, commit funds and to construct a Pride Centre in NSW.
