PETITION

Helen Minnicou
Clerk of the Legislative Assembly

Received 13/11/18 at 11.50am

To the Honourable the Speaker and Members of the Legislative Assembly of New South Wales in Parliament assembled.

The Petition of the Residents of South Western Sydney within and around the State electorates of Holsworthy and Liverpool.

Brings to the attention of the House the pressure being placed on the suburbs of Moorebank, Holsworthy and surrounding suburbs within the Local Government Area of Liverpool due to Overdevelopment of the Suburbs after the area was rezoned to R4 zoning while under administration and where now Multi Storey Apartment blocks are being proposed in suburbs that are currently residential housing without sufficient infrastructure to cope with the proposed developments in the area.

The undersigned petitioners therefore ask the Legislative Assembly to place a moratorium on any further development applications being processed for High Rise Buildings under the R4 zoning in the suburbs of Moorebank, Holsworthy, Hammondville and Wattle Grove until the review of zoning being undertaken by Liverpool Council is Completed and a full report is made available to the NSW Minister for Planning.
