I certify that this Petition conforms to the requirements of the Standing Orders

Helen Minnican  
Clerk of the Legislative Assembly

# PETITION

Received 13/11/18 at 11.50am

I certify that this petition is over 500 signatures

*To the Honourable the Speaker and Members of the Legislative Assembly of New South Wales in Parliament assembled.*

Signature

The Petition of the residents of various suburbs and electorates in South Western Sydney including and not limited to Liverpool, Campbelltown and Camden, including and not limited to the electorates of Camden, Campbelltown, Macquarie Fields, Mulgoa, Holsworthy and Liverpool.

Brings to the attention of the House **the danger to the School Children of Leppington Primary School** due to the traffic chaos caused by inadequate provision of parking in and around Leppington Primary School and caused in particular by the overflow of cars parking in the streets due to the lack of adequate (Multi Level) Car Parking facilities around Leppington Train Station to cope with the current and future demand from Commuters and which has resulted in a Car Parking Crisis.

The undersigned petitioners therefore ask the Legislative Assembly to provide a temporary Car Park on land owned by the NSW State Government close to Leppington Station and to approve the Construction of Multi Level Car Parks at Leppington Train Station as a matter of urgency in order to accommodate the current demand of commuter parking in the area and to provide for future demand as the Leppington area continues to grow in order to allow the ever increasing number of parents and students at Leppington Primary to arrive and depart from School safely and securely.

Yours Sincerely
