However, an equivalent sum must not be paid out for another purpose.

Clause 35 enables the Treasurer to authorise payment for a purpose in excess of the sum appropriated for the purpose if the Treasurer is of the opinion that the additional sum is reasonably necessary because of a State contingency. However, an equivalent sum must not be paid out from the sum appropriated to the Treasurer for the purposes of expenditure related to the Government's response to public health emergencies and other crises.

Clause 38 provides that the Treasurer must not authorise the payment of a sum under the proposed Part to increase the amount of any salary or wage fixed by law.

Clause 39 provides the proposed Part does not apply to sums appropriated by another Act.

Clause 44 makes it clear that budget-related information in the notes included in the proposed Appropriation Acts and in Budget Papers does not form part of those Acts and does not affect the application of any amount appropriated by those Acts.

Clause 45 provides that if the proposed Act is assented to after 1 July 2022, certain payments made from the Consolidated Fund on or after 1 July 2022 but before the enactment of the proposed Act are deemed to be made out of the sums appropriated by the proposed Act.
