## PUBLIC PENSIONS.

*(Resolution.)*

Clerk read Governor's Message No. 21 referred, viz. :—

HERCULES ROBINSON,

*Message No. 21.**Governor.*

The Governor desires to acknowledge the receipt of the Address of the Legislative Assembly of November 4, 1873, expressing the opinion that it is desirable to bring in a Bill to confer an annuity upon John Dunmore Lang, or to confer upon that gentleman some other pecuniary recognition of his public services.

The Governor's Advisers consider that this is a fitting occasion for the introduction of a Bill to regulate and limit the granting of Pensions; and a Bill for those general objects will be submitted for the consideration of Parliament.

The Governor recommends that provision be made in this Bill to confer a pension on John Dunmore Lang, in accordance with the expressed desire of the Legislative Assembly, and as an exception to the principles of the measure.

*Government House,**Sydney, 28th January, 1874.*

“ Resolved,—

“(1.) That this House “ approves of ” the following Conditions of Agreement for the construction of a Telegraph Cable between New Zealand and New South Wales, and one between Normantown, in Queensland, and Singapore, as agreed upon by the Representatives of the Colonies of New Zealand, Queensland, and New South Wales, in Sydney, on the 14th February, 1873; and empowers the Government to enter into a Contract in conjunction with the other Governments named, upon the terms therein stated, for the purpose of carrying out this undertaking :—

## ‘ Agreement.

‘ THE following Conditions for the construction of a Telegraph Cable between New Zealand and New South Wales, and one between Normantown, in Queensland, and Singapore, are those which the Representatives of New South Wales, New Zealand, and Queensland agree to recommend their Governments to submit for the approval of their respective Parliaments :—

‘ 1. The three Colonies shall jointly enter into an arrangement for the construction of an electric cable to be laid between some point in New Zealand and some point in New South Wales, and also a cable to be laid from Normantown, in Queensland, to Singapore, the latter to be a through cable touching only at such points as may be agreed on, “ and to be entirely distinct the whole distance from the line between Port Darwin and Singapore.”

‘ 2. The arrangement to be for a guarantee of five per cent. for a term not exceeding “ thirty-five years,” upon a sum not exceeding one million pounds for the cost of the two lines. £1,000,000.

‘ 3. Twelve thousand pounds per annum to be allowed, to cover in full all expenses. £12,000.

‘ All receipts above twelve thousand pounds to pass in reduction of the guarantee. The contractors to retain receipts in excess of the guarantee; but if the profits are more than ten per cent. the Governments may require that the rates shall be lowered to amounts calculated to reduce the profits to ten per cent. £12,000 10 per cent.

‘ 4. The guarantee to be paid only whilst the lines are in working order: Provided that four weeks in each year will be allowed for repairs. If the New Zealand line only be in order, one-third of the guarantee to be paid; if the Singapore line only be in order, two-thirds of the guarantee to be paid. If the lines are not kept in order with due diligence, or if communication should permanently fail, the guarantee to cease.

‘ 5. The two lines to be commenced and constructed simultaneously.

‘ 6. The cost per message of twenty words, from New Zealand to New South Wales, not to exceed fifteen shillings; the charge for each word above twenty being nine-pence. And the cost for twenty words from Normantown to Singapore not to exceed forty shillings for the first two years, and thirty-five shillings afterwards; the charge for each word above twenty being two shillings. 15s. 9d. 40s. 35s.

‘ 7. Queensland to undertake to keep the land line to Normantown open for the use of the other contributing Colonies at rates not to exceed at any time seven shillings for twenty words. 7s. 20.

‘ 8.

- ' 8. The three Governments to act in unison, and to jointly arrange the details.  
 ' 9. This Agreement, after being approved of by the respective Governments, to be  
 ' subject to ratification by the respective Parliaments; and the details to be arranged in  
 ' London by representatives appointed by the three Colonies.  
 ' 10. The Governments will require to be satisfied that the contractors have made  
 ' proper provision for the use of a through line of communication between Singapore and
