For greater accuracy, he had obtained a copy, which he laid upon the Table of the House and ordered that it be recorded in the *Votes and Proceedings*, as follows:—

HONORABLE MEMBERS OF THE LEGISLATIVE COUNCIL, AND
 MEMBERS OF THE LEGISLATIVE ASSEMBLY,—

1. It is with pleasure that I call you together for the discharge of your important duties in the Fourth Session of the present Parliament.

2. A primary task of the Legislature will be to take the necessary steps for the reconstitution of the Legislative Council in accordance with the important constitutional reform approved by the people of the State at the referendum in May last.

A measure will be submitted to facilitate the conduct of the election of members of the Legislative Council.

The holding of the four elections which are necessary for the reconstitution of the Legislative Council will extend over a period of several weeks.

Pending such reconstitution, my Ministers, while submitting such proposals as may be required at the present time in the public interest, do not propose to introduce measures which may more properly be dealt with after the Legislative Council has been reconstituted.

22nd August, 1933.

3. The policy of my Ministers is being directed towards readjusting Governmental functions and finance in such a way as to stimulate further restoration of industry. The unsettled condition of the world is a retarding factor, but there is evidence of considerable improvement in the position of the State during the past twelve months. Unemployment has diminished, and there has been a revival of the spirit of enterprise, as progress has been made in restoring harmony between costs and prices. Endeavour has been made to afford relief and assistance to primary producers, restoration of whose effective buying power is, at this juncture, considered to be specially important in reviving industrial activity throughout the State. Measures have been adopted to extend the scope of unemployment relief works, and to alleviate the lot of the unemployed by providing work, wherever possible, pending restoration of normal employment.

Although economic conditions throughout the world continue to be unsettled, in recent months there has been a trend towards improvement overseas which is reflected in a rise in prices of the commodities which are exported from the State. This, combined with policy measures, already adopted and in contemplation by my Ministers, should materially assist in restoring the State to a sounder economic position with a closer balance between the prices and costs of commodities.

MEMBERS OF THE LEGISLATIVE ASSEMBLY,—

4. My advisers have paid close and unremitting attention to the finances of the State in a concerted endeavour to carry out the plans approved by the Premiers' Conference for reduction of the Budget deficit, with the object of maintaining financial stability and promoting recovery in industry.

The measure of success which has attended these efforts, and the substantial reduction in rates of interest (both local and overseas) which followed thereon, have enabled my Ministers to make substantial reductions in certain railway freights and fares, tramway fares, interest charges, harbour dues, taxes and fees.

My Ministers propose to submit to your consideration Bills for giving effect to the Budget proposals, including measures having for their object certain reductions of taxation and the removal of certain disabilities, while still preserving the efficiency of essential Governmental and social services and progressing steadily towards Budget equilibrium.

HONORABLE MEMBERS OF THE LEGISLATIVE COUNCIL,—

As this is the last occasion on which I shall have an opportunity of meeting the existing Legislative Council in this Chamber, I wish to express to you, as His Majesty's representative, my appreciation of your services to the State since the grant of self-government, and to place on record a grateful acknowledgment of your labours in the interests of the whole body of the citizens of New South Wales.

HONORABLE MEMBERS OF THE LEGISLATIVE COUNCIL, AND
MEMBERS OF THE LEGISLATIVE ASSEMBLY,—

I now leave you to the discharge of your important duties with the earnest prayer that, under Divine guidance your labours may conduce to the welfare and happiness of all.

Government House, Sydney.

To the Honorable the Speaker and the Members of the
Legislative Assembly of New South Wales:

I thank you for your expressions of loyalty and attachment to the Throne and Person of His Most Gracious Majesty King George the Fifth.

I am glad to receive your assurance that earnest consideration will be given to the measures to be submitted to you and that the necessary provision for the Public Service will be made in due course.

Though there are some signs of returning confidence, world conditions are still very unsettled and render the task of government everywhere one of extreme difficulty. Nowhere, as yet, has the overshadowing problem of unemployment been completely solved.

Much still remains to be done and the solution of many problems is still to be discovered. To the furtherance of this work I am confident that you, as the representatives of the people of New South Wales, will apply your every endeavour.

Would you, in conclusion, allow me to express my deep regret at the loss sustained by the State and the Legislative Assembly by the deaths of three most respected Members, the late Mr. W. T. Missingham, Mr. R. J. Stuart-Robertson, and Mr. A. Lysaght. I had the pleasure of meeting them on several occasions and wish, if I may, to associate myself with you in the tributes you have already paid to their memories.

PHILIP GAME.

Governor.

5. CONSTITUTION AMENDMENT (LEGISLATIVE COUNCIL ELECTIONS) BILL:—The Order the Day having been read, Mr. Stevens moved, That this Bill be now read a second time.

Point of Order:—Mr. Lamaro submitted that, as there was a suit pending before the Supreme Court of New South Wales in its Equity Jurisdiction respecting the validity of certain legislation relating to the constitution of the Legislative Council, and as this Bill proposed to amend such legislation, the second reading, under the rule as applied in this House relating to matters that are considered *sub judice*, should not be proceeded with while the suit was pending.

Mr. Speaker said that the House was now dealing with the second reading of this Bill, and he did not think it could be said that the second reading of the Bill was a matter which was now before the court. On previous occasions he had applied the *sub judice* rule in proper cases, but this was an instance where that rule had no application whatsoever. On the information before him he could not sustain the point of order.

Debate ensued.

(3.) Bill read a second time.

Mr. Speaker left the Chair, and the House resolved itself into a Committee of the Whole for the consideration of the Bill.

Mr. Speaker resumed the Chair, and the Chairman reported the Bill without amendment.

7th September, 1933.

Mr. Vincent moved that the Report be now adopted.

Point of Order:—Mr. Lang submitted that the Bill provided a fixed total salary of £1,250 for the acting commissioner, and did not provide for an annual appropriation, whereas the order of leave contemplated an annual appropriation of salary at a rate less than that appropriated by the Principal Act. He, therefore, contended that, as the Minister had stated the appointment would be for six months and, as the amount of salary to be paid to the acting commissioner for that period would be £1,250, and, consequently on an annual basis—would be in excess of the annual amount contemplated to be provided under the order of leave, the Bill was not in accordance with the Governor's Message, or the order of leave.

Mr. Speaker said he could not sustain the point of order.

Mr. Fitzsimons moved, That the Bill be printed, and now read a second time. Debate ensued.

And Mr. Lang proceeding to discuss the question of the increase of hours for railway and tramway employees,—

Point of Order:—Mr. Stevens submitted that, as the Railway and Transport Commissioners had applied to the Industrial Court for a variation of the hours of work for all employees under their control, the matter was *sub judice* and therefore out of order.

Mr. Speaker stated that he had no knowledge of the subject and he was dependent upon a Minister of the Crown for information as to the position of the matter in relation to the Court. The Premier having given an assurance that a case involving specifically the matter proposed to be discussed was before the Court, Mr. Speaker said he had to regard the question as *sub judice*, and that the matter therefore could not be discussed.

Question put and passed.

- (3.) Bill read a second time.

Mr. Speaker left the Chair, and the House resolved itself into a Committee of the Whole for the consideration of the Bill.

Mr. Speaker resumed the Chair, and the Chairman reported the Bill without amendment.

VOTES AND PROCEEDINGS

OF THE

LEGISLATIVE ASSEMBLY.

FOURTH SESSION OF THE THIRTIETH PARLIAMENT.

THURSDAY, 5 OCTOBER, 1933.

The House met pursuant to adjournment. Mr. Speaker took the Chair.

1. PAPERS:—

Lieut.-Colonel Bruxner laid upon the Table the following Paper:—New By-laws and amendment of By-law under the Government Railways Act, 1912-1932.
Referred by Sessional Order to the Printing Committee.

Mr. Stevens laid upon the Table the following Paper:—Statement of Receipts and Payments of the Police Superannuation and Reward Fund for the year ended 30th June, 1933.

Referred by Sessional Order to the Printing Committee.

Mr. Spooner laid upon the Table the following Paper:—Amendment of Ordinances under the Local Government Act, 1919.

Referred by Sessional Order to the Printing Committee.

2. DISSENT FROM MR. SPEAKER'S RULING:—Mr. Speaker said that before the Honorable Member for Auburn, Mr. Lang, proceeded to move the motion standing in his name, he desired to point out that the object of dissenting from a Speaker's ruling was to correct a ruling which, it was claimed, had not been given in accordance with the Standing Orders or the established practice of this House.

The Premier having given the Speaker and the House the assurance that the matter which the Honorable Member was proceeding to discuss was before the court, and the Honorable Member not having questioned the information given by the Premier—as he had a perfect right and opportunity to do—he, as Speaker, in accordance with established practice, was bound to uphold the Point of Order, and to refuse to allow discussion upon a matter which was *sub judice*. As no reference or allusion would be allowed to be made in Debate in this House to matters pending before courts of law, or, by analogy, before Royal Commissions or judicial tribunals, that ruling was unquestionably correct.

If the Honorable Member desired to question the accuracy of the Premier's statement, it would be necessary for him to take some other steps under the Standing Orders of this House.

If, however, the Honorable Member proposed to alter what was the usage and practice, not only of this Parliament but of all other Parliaments in the British Empire—that a matter which was *sub judice* could not be discussed—he might do so in another way. He certainly would not permit the Honorable Member to do so on a motion of dissent from the Speaker's ruling.

Mr. Lang then moved, pursuant to Notice, That this House dissents from the ruling of Mr. Speaker, given on Friday, 29th September, 1933, a.m., when, having been given an assurance by the Premier that a case involving a question of the increase of hours for railway and tramway employees was before the Court, he ruled that he had to regard the question as *sub judice*, and that, therefore, the Honorable Member for Auburn, Mr. Lang, could not proceed to discuss the matter.

Debate ensued.

5th October, 1933.

Mr. Weaver moved, That the Question be now put.

Point of Order:—Mr. Lamaro contended that under Standing Order No. 161 only the Speaker was entitled to decide when the Question, on a motion of this character, should be put, and then only when the Debate had exceeded thirty minutes—and submitted that a motion for the application of the "closure" could not now be entertained.

Overruled by Mr. Speaker.

Question put,—“That the Question be now put.”

The House divided.

"PHILIP GAME,

"Governor.

"By His Excellency's Command,

"B. S. STEVENS."

Mr. Speaker directed that the taking of the votes of Members in the Legislative Assembly for the election of Members to the Legislative Council at the four separate elections referred to in section 17D of the Constitution Act, 1902, as amended by subsequent Acts, be set down as an Order of the Day for each of the days of the ballot appointed in the Writ mentioned in His Excellency's Message of the tenth day of October, 1933, viz.:-

First Election—fifteen Members; Thursday, 2nd November, 1933.

Second Election—fifteen Members; Thursday, 10th November, 1933.

Third Election—fifteen Members; Thursday, 30th November, 1933.

Fourth Election—fifteen Members; Thursday, 14th December, 1933.

Mr. Speaker intimated that, on each such day, the taking of the votes would take precedence of all other business.

Point of Order:—Mr. Lang submitted that, with respect to another matter, Mr. Speaker had ruled that, where a matter was *sub judice*, no debate could take place, nor could any proceedings be taken in respect thereto. He further submitted that he had ascertained that the appeal to the Privy Council in the Legislative Council case was going forward. Should such appeal be upheld, the whole procedure now taking place would be null and void, and, further, the action now being taken would affect the case of the appellant before the Privy Council, and the matter should therefore be held to be *sub judice*.

Mr. Speaker said that he could not consider such a Point of Order, as he was only carrying out the specific directions contained in Division II of the Fourth Schedule of the Constitution (Legislative Council Elections) Act, 1932-1933. The only question that could be argued was whether he, as Speaker, should or should not carry out the directions of such Act of Parliament. He felt that he was bound to follow definite statutory directions, and he therefore could not sustain the Point of Order.

2. PAPER:—Mr. Vincent laid upon the Table the following Paper:—Proclamation declaring certain land in County of St. Vincent, Parish of Elrington, to be private land for the purposes of the Mining Act, 1906.

Referred by Sessional Order to the Printing Committee.

3. POSTPONEMENT:—The Order of the Day, "Matrimonial Causes (Amendment) Bill; second reading. [*Mr. Henry.*]"—postponed until Tuesday, 17th October.

4. HOURS OF SITTING—EXTENSION OF PRESENT SITTING:—

(1.) URGENCY:—Mr. Stevens moved, That it is a matter of urgent necessity that this House should forthwith consider the following motion:—"That so much of the Sessional Orders be suspended as would preclude the continuation of the present Sitting after 10.30 o'clock, p.m."

C. H. H. CALVERT,

Page 9. At end of clause 10 add new subclause as follows:—

"(4) This section shall not apply in any case where the shareholder or the person to whom interest is paid, as the case may be, is a foreign company carrying on business in the State which has a duly appointed public officer."

Examined,—

SIMON HICKEY,

Temporary Chairman of Committees.

Mr. Speaker said that, having regard to the character of this Bill, the amendment made by the Legislative Council was, in his opinion, an invasion of the privileges of this House, and that he had called attention to such invasions on several occasions, when he had fully expounded the correct constitutional usage on the subject. Therefore, he did not propose to do more than point out that the privileges of this House were something which ought not to be lightly surrendered. The matter was in the hands of Honorable Members.

And the Premier having requested that the amendment be considered forthwith,—

Ordered by Mr. Speaker, That the amendments made by the Legislative Council in this Bill be taken into consideration forthwith.

- (2.) The Order of the Day having been read, on motion of Mr. Stevens, Mr. Speaker left the Chair, and the House resolved itself into a Committee of the Whole for the consideration of the amendment made by the Legislative Council in this Bill.

Referred by Sessional Order to the Printing Committee.

Mr. Drummond laid upon the Table the following Paper:—Report of the Trustees of the Sydney Grammar School for 1932.

Referred by Sessional Order to the Printing Committee.

2. DISSENT FROM MR. SPEAKER'S RULING (*Formal Motion*):—Mr. Lamaro moved, pursuant to Notice, That this House dissents from the ruling given by Mr. Speaker on Thursday, 5th October last, when, during the discussion of a Motion of Dissent under Standing Order No. 161, moved by the Honorable Member for Auburn, he ruled that he could accept, and did accept, a motion "That the Question be now put."

Mr. Speaker said that in view of the clear and unambiguous terms of Standing Order No. 161 and Standing Order No. 175, it was difficult to justify the action of the Honorable Member in putting on the Notice Paper a Motion of Dissent.

The wording of Standing Order No. 161 was quite clear. Undoubtedly, under this Standing Order, the Speaker had a discretionary power to put the Question, and then only when the debate had exceeded thirty minutes. The Speaker was not in any way directed, by Standing Order No. 161, to put the Question, nor was there the slightest implication therein that the powers under any other Standing Order of the House in regard to the control of the debate were in any way curtailed.

The wording of Standing Order No. 175 was emphatic, and provided that,—“At any time during the proceedings of the House, or during the proceedings of a Committee of the Whole, and whether any Member is addressing the Chair or not, any Member may move, without notice or debate, ‘That the Question be now put’; and such Motion shall then be put without debate.” In the case under review, the closure having been moved under Standing Order No. 175, he, as Speaker, was bound to put the Question to the House.

3. ADJOURNMENT UNDER STANDING ORDER No. 49:—Mr. Speaker stated that he had received from the Honorable Member for Newtown, Mr. Frank Burke, a Notice, under the 49th Standing Order, that he desired to move the adjournment of the House to discuss a specific matter of recent occurrence, viz.:—"The recent eviction of Mr. W. P. Kennedy, who was evicted from his residence on Friday, 13th instant."

Mr. Speaker said that he ruled at once that it was not competent to move a motion of adjournment under Standing Order No. 49 for the discussion of this matter at this stage, as the Estimates had been laid upon the Table, and the Budget Debate was pending. An opportunity for a discussion of this matter would therefore occur without undue delay, and for that reason and in accordance with previous decisions, he must rule the motion out of order, as anticipating a discussion that could take place on the Financial Statement or on the Estimates.

4. FOOD RELIEF AND SOCIAL BENEFITS:—The Order of the Day having been read for the resumption of the adjourned Debate, on the motion of Mr. Booth, "That, in view of the prevalent poverty in the State and the statements of leading clergymen, Friendly Societies' officers, and other citizens qualified to express an opinion, that starvation is widespread, resulting in many deaths from malnutrition, this House instructs the Government to forthwith remove the harsh restrictions which are preventing deserving citizens from drawing food relief and social benefits from the State, and to double the quantity of food issued to those entitled to receive it."

And the Question being again proposed,—
