PITT STREET (See "TELEPHONES").		
POINTS OF ORDER:—		
Reported from Committees, 403, 483, 512.		
RULINGS OF SPEAKER:—		
That motion for adjournment of House in reference to appointment of Select Committee or Royal Commission on the financial clauses of the Commonwealth Bill anticipated consideration of that Bill, and was out of order, 169.		
That the Franchise Extension Bill did not necessarily involve expenditure, and therefore did not require a Message from the Governor, 181.		
That discussion on Motion of Adjournment in reference to Administration of Land and Income Taxes must be confined to the subject of the Notice, 190.		
That motion to take 3 <sup>o</sup> of the Crown Lands Bill as matter of urgency before other business was in order, 256.		
That it be left to the House to decide whether the motion for the suspension of the Standing Orders to take 3 <sup>o</sup> of Crown Lands Bill as matter of urgency, was irregular, 257.		
That Totalisator Bill did not originate any tax or impost or appropriate revenue, and therefore did not require to be recommended by Message from Governor, 290.		
That Totalisator Bill did not contain provisions beyond the Order of Leave, 290.		
That motion relating to Reappraisal of Conditional Purchases and Leases would anticipate debate on Order of the Day already on the Paper, 309.		
That Liquor Traffic Local Option Bill was properly included amongst the Government Orders of the Day, having been introduced by a Minister, 317.		
That amendment, on motion, in reference to construction of railways through private land to apply betterment principle was not relevant, 328.		
That the Standing Orders only permitted the postponement of Orders of the Day, not being Government Orders (on Government days), from one sitting day to another, 341.		
That motion for adjournment in reference to the state of the roads of the Colony anticipated discussion on the Estimates or in Committee of Ways and Means, and was out of order, 363.		
That while upholding the ruling of the Chairman of the Committee of Supply against allowing a discussion on the constitution of the Works Committee or their fees or travelling expenses on the Vote "Parliamentary Standing Committee on Public Works" the items being fixed by statute the conduct of business of the Committee could be criticised in relation to another item, 403.		
That motion for adjournment of House relating to making of Dams and Weirs by the Water Conservation Branch of the Public Works Department was out of order, the matter having been fully discussed in Supply, 471.		
That Chairman was incorrect in ruling that the omission of the word "intestate" in the 12th line of the Probate Duties Bill was in order on the ground that it did not increase the area of taxation, because the effect would be an augmentation of the tax, 483.

<b>SPEAKER (continued) :—</b>		
<b>RULINGS OF (continued) :—</b>		
That motion to take 3 <sup>o</sup> of the Crown Lands Bill as matter of urgency before other business was in order, 256.		
That it be left to the House to decide whether the motion for suspension of the Standing Orders to take 3 <sup>o</sup> of Crown Lands Bill as matter of urgency was irregular, 257.		
That Totalisator Bill did not originate any tax or impost or appropriate revenue, and therefore did not require to be recommended by Message from Governor, 290.		
That Totalisator Bill did not contain provisions beyond the Order of Leave, 290.		
That motion relating to Reappraisal of Conditional Purchases and Leases would anticipate debate on Order of the Day already on the paper, 300.		
That Liquor Traffic Local Option Bill was properly included amongst the Government Orders of the Day, having been introduced by a Minister, 317.		
That motion to "read Orders of the Day" was obsolete in House of Commons and opposed to Standing Order 211, 274.		
That amendment on motion in reference to construction of Railways through private land to apply betterment principle was not relevant, 328.		
That the Standing Orders only permitted the postponement of Orders of the Day, not being Government Orders (on Government Days), from one sitting day to another, 341.		
That motion for adjournment in reference to the state of the roads of the Colony anticipated discussion on the Estimates or in Committee of Ways and Means, and was out of order, 363.		
That while upholding the ruling of the Chairman of Committee of Supply against allowing a discussion on the constitution of the Works Committee, or their fees, or travelling expenses on the Vote "Parliamentary Standing Committee on Public Works," the items being fixed by statute, the conduct of business of the Committee could be criticised in relation to another item, 403.		
That motion for adjournment of House relating to making of Dams and Weirs by the Water Conservation Branch of the Public Works Department was out of order, the matter having been fully discussed in Supply, 471.		
That Chairman was incorrect in ruling that the omission of the word "intestate" in the 12th line of the Probate Duties Bill was in order, on the ground that it did not increase the area of taxation, because the effect would be an augmentation of the tax, 483.		
That the decision of the Chairman of Committees, that a Member was not entitled in discussing the principles of the City and North Sydney Railway Bill on a proposed amendment in the Short Title, was correct, 512.		
That subject of motion of adjournment of House in reference to Sunday Trading had been discussed on a previous motion, 518.		
That the Minister in moving the reference of the Rosehill to Dural Railway to the Public Works Committee had complied with the Act 519.		
<b>DISSENT FROM RULING :—</b>
