POINTS OF ORDER:— Reported from Committee of Supply, 58, 435. Reported from Committee of the Whole, 266.		
RESOLVING OF SPEAKER:— That a Temporary Chairman of Committees could take the Chair, notwithstanding that the Chairman of Committees had not been appointed, 49. That debate in Committee of Supply on items in Resolution for specific services must be confined to the items submitted, 58. That the provision in clause 4 of the Darling Harbour Wharves Resumption Bill, giving power to lease or sell certain of the land, was covered by the Title and Order of Leave; Speaker quoted decision of 17th August, 1897, in reference to the Totalisator Bill, 83. That amendment, for Call of the House, on a motion proposing a new Standing Order, could be admitted, 127. That sections 12 and 13 of the Public Works Act had been complied with by the Minister in moving motion to refer the matter of removing the Public Abattoirs from Glebe Island, to the Public Works Committee, 223. That an amendment to insert words "The Sydney Harbour Trust Commissioners" in clause 2 of the Industrial Arbitration Bill, before the Commissioners were appointed, was in order, 266. That the subject of the motion for the adjournment of the House in reference to land exchanges had not been discussed on a previous motion, 286. That the Fire Brigades Bill was out of order, because clause 25 conflicted with, and was contradictory of clause 65 of the Sydney Harbour Trust Bill, passed by this House, and now before the Council, 306. That the provision in the Racing Association Bill in regard to incorporation was not beyond the Order of Leave, and that the Bill did not require to be introduced in Committee, 318. That provision in clause 7 of the Early Closing Amendment Bill, which proposes to bring hotels, &c., selling tobacco, under the same law as tobacconists' shops was within the Order of Leave, 325. That proposal to put the motion for the adjournment of the House without debate on Friday sittings was not a contravention of the Standing Orders which gave the right to Members to debate such questions, 367. That although the Public Works Committee had varied the reference made to them in reference to the proposal to construct the Belmore to Fort Macquarie Electric Tramway, he would not rule the motion to carry out the work out of order, 367. That motion for adjournment of House in reference to thoroughfare for vehicular traffic through the Botanical Gardens, could be discussed in the financial debate in Committee of Ways and Means, and was out of order, 392. That as the Order of the Day was the property of the House, the second reading of the Tied Houses Bill could be moved by any Member, 409. That an Honorable Member discussing in Committee of Supply the estimate for "Railways and Tramways—Existing Lines—Working Expenses," was not in order in commenting in detail on a report of an officer on a new line of railway, 435-6. That a Minister was permitted to present papers to Parliament at any time, notwithstanding an address passed by the House requesting the production of the papers, had not been presented to the Governor, 441. That the introduction of the Patents and Trade Marks Bill should have been preceded by a Message from the Governor, 460.

POINTS OF ORDER (continued):—	
RULINGS OF SPEAKER (continued):—	
That the motion for the adjournment of the House in reference to the Police Superannuation Fund anticipated the discussion of a motion which was already on the paper, and was out of order, 522.	
That the Federal Elections Bill was not out of order, notwithstanding the Schedule referred to in Clause 6 was not given, as the Schedules could be introduced and discussed in Committee, 541.	
That motion for adjournment on influence of Members with Federal Electorates Commissioners anticipated discussion on the Federal Elections Bill, and was out of order, 549.	
That motion approving of Government entering into a contract for the supply of steel rails should have originated in Committee of the Whole, and was out of order, 549.	
That motion for adjournment of the House in reference to contract for steel-rails anticipated the discussion of a motion given this day on the subject, and was out of order, 557.	
That in regard to the motion of adjournment in reference to consumptive patients, Liverpool Asylum, having been already discussed in Committee of Supply and being open to further discussion on the third reading of the Appropriation Bill, he thought that the item could not be discussed on the third reading of the Appropriation Bill, and he had not sufficient information as to the proceedings in supply to rule the motion out of order, 577.	
RULINGS OF DEPUTY-SPEAKER :—	
That motion for adjournment of House in reference to legalising certain Municipalities did not deal with the subject embodied in the Municipalities (Amendment) Bill, and was in order, 610.

SPEAKER (<i>continued</i>):—		
RULINGS OF— <i>continued</i> :—		
That the provision in the Racing Association Bill in regard to incorporation was not beyond the Order of Leave, and that the Bill did not require to be introduced in Committee, 318.		
That provision in clause 7 of the Early Closing Amendment Bill, which proposes to bring hotels, &c., selling tobacco, under the same law as tobacconists' shops, was within the Order of Leave, 325.		
That proposal to put the motion for the adjournment of the House without debate on Friday sittings was not a contravention of the Standing Orders which gave the right to members to debate such questions, 367.		
That although the Public Works Committee had varied the reference made to them in reference to the proposal to construct the Belmore to Port Macquarie Electric Tramway, he would not rule the motion to carry out the work out of order, 367.		
That motion for adjournment of House in reference to thoroughfare for vehicular traffic, through the Botanical Gardens, could be discussed in the financial debate in Committee of Ways and Means, and was out of order, 392.		
That as the Order of the Day was the property of the House, the 2nd reading of the Tied Houses Bill could be moved by any member, 409.		
That an honorable member, discussing in Committee of Supply the estimate for "Railways and Tramways, existing lines—working Expenses," was not in order in commenting in detail on a report of an officer on a new line of railway, 435-6.		
That a Minister was permitted to present papers to Parliament at any time, notwithstanding an address passed by the House requesting the production of the papers, had not been presented to the Governor, 441.		
That the introduction of the Patents and Trade Marks Bill should have been preceded by a Message from the Governor, 460.		
That the motion for the adjournment of the House in reference to the Police Superannuation Fund anticipated the discussion of a motion which was already on the paper, and was out of order, 522.		
That the Federal Elections Bill was not out of order, notwithstanding the Schedule referred to in clause 6 was not given, as the Schedules could be introduced and discussed in Committee, 541.		
That motion for adjournment on "Influence of Members with Federal Electorates Commissioners," anticipated discussion on the Federal Elections Bill, and was out of order, 549.		
That motion approving of Government entering into a contract for the supply of steel rails should have originated in Committee of the Whole and was out of order, 549.		
That motion for adjournment of the House in reference to "Contract for Steel-rails" anticipated the discussion of a motion given this day on the subject, and was out of order, 557.		
That in regard to the motion of adjournment in reference to "Consumptive Patients Liverpool Asylum, having been already discussed in Committee of Supply, and being open to further discussion on the third reading of the Appropriation Bill," he thought that the item could not be discussed on the third reading of the Appropriation Bill, and he had not sufficient information as to the proceedings in Supply to rule the motion out of order, 577.		
RULINGS OF DEPUTY-SPEAKER:—		
That motion for adjournment of the House in reference to legalising certain Municipalities did not deal with the subject embodied in the Municipalities (Amendment) Bill, and was in order, 610.		
That certain clauses in the Municipalities (Incorporation Validating) Bill was not beyond the Order of Leave, 610.		
That the requirements of the Public Works Act had been complied with on motion to refer the work "High-level Bridge over the Hawkesbury River at Richmond" to the Public Works Committee, 615.
