Amendment (Mr. Pelly),—to omit all words in paragraph (d) of sub-clause 3 after the word “persons” (firstly occurring) and insert the following words instead thereof:—“elected by the wheatgrowers of New South Wales.

Question proposed,—That the words proposed to be left out stand part of the clause.

Point of Order:—Mr. Graham submitted that the proposed amendment was out of order as being against the principle of the Bill as agreed to in the second reading.

Mr. Temporary Chairman Freeman stated that whilst the principle enunciated in the bill provided for the nomination of wheatgrowers' representatives by the Minister, the amendment suggested selection by ballot, and he regarded it as being subversive of the principle in the bill as read a second time, and therefore ruled the amendment out of order.

Mr. Pelly moved,—That the Chairman leave the Chair to report a Point of Order, and ask leave to sit again so soon as the Point of Order had been decided by the House. The Point of Order was,—That the Temporary Chairman was wrong when he ruled that an amendment to provide for the election of the wheatgrowers' representatives by ballot was subversive of the principle of the Bill as read a second time.
