 - What date/s are these redundancies proposed to be finalised?
 - What date/s were these redundancies proposed and/or announced?
 - What is the full projected monetary value of these redundancies in savings per annum?
61. As you are the lead Minister for the Planning, Industry and Environment Cluster, how many redundancies have been finalised at the Luna Park Reserve Trust from July 2020 to date?
- Which departmental areas were these affected position/s previously allocated to?
 - Which geographical area/s were these affected position/s previously located within?
 - What date/s were these redundancies finalised?
 - What is the full monetary value of these redundancies in savings per annum?
62. As you are the lead Minister for the Planning, Industry and Environment Cluster, how many redundancies have been proposed and/or announced but not yet finalised at the Luna Park Reserve Trust?
- Which departmental area/s are these affected position/s currently allocated to?
 - Which geographical area/s are these affected position/s currently located within?
 - What date/s are these redundancies proposed to be finalised?
 - What date/s were these redundancies proposed and/or announced?
 - What is the full projected monetary value of these redundancies in savings per annum?
63. As you are the lead Minister for the Planning, Industry and Environment Cluster, how many redundancies have been finalised at the Office of Strategic Lands from July 2020 to date?
- Which departmental areas were these affected position/s previously allocated to?
 - Which geographical area/s were these affected position/s previously located within?
 - What date/s were these redundancies finalised?
 - What is the full monetary value of these redundancies in savings per annum?

64. As you are the lead Minister for the Planning, Industry and Environment Cluster, how many redundancies have been proposed and/or announced but not yet finalised at the Office of Strategic Lands?
- (a) Which departmental area/s are these affected position/s currently allocated to?
 - (b) Which geographical area/s are these affected position/s currently located within?
 - (c) What date/s are these redundancies proposed to be finalised?
 - (d) What date/s were these redundancies proposed and/or announced?
 - (e) What is the full projected monetary value of these redundancies in savings per annum?
65. As you are the lead Minister for the Planning, Industry and Environment Cluster, how many redundancies have been finalised at the Office of the Valuer General from July 2020 to date?
- (a) Which departmental areas were these affected position/s previously allocated to?
 - (b) Which geographical area/s were these affected position/s previously located within?
 - (c) What date/s were these redundancies finalised?
 - (d) What is the full monetary value of these redundancies in savings per annum?
66. As you are the lead Minister for the Planning, Industry and Environment Cluster, how many redundancies have been proposed and/or announced but not yet finalised at the Office of the Valuer General?
- (a) Which departmental area/s are these affected position/s currently allocated to?
 - (b) Which geographical area/s are these affected position/s currently located within?
 - (c) What date/s are these redundancies proposed to be finalised?
 - (d) What date/s were these redundancies proposed and/or announced?
 - (e) What is the full projected monetary value of these redundancies in savings per annum?
67. As you are the lead Minister for the Planning, Industry and Environment Cluster, how many redundancies have been finalised at the Place Management NSW from July 2020 to date?
- (a) Which departmental areas were these affected position/s previously allocated to?
 - (b) Which geographical area/s were these affected position/s previously located within?
 - (c) What date/s were these redundancies finalised?
 - (d) What is the full monetary value of these redundancies in savings per annum?
68. As you are the lead Minister for the Planning, Industry and Environment Cluster, how many redundancies have been proposed and/or announced but not yet finalised at the Place Management NSW?
- (a) Which departmental area/s are these affected position/s currently allocated to?
 - (b) Which geographical area/s are these affected position/s currently located within?
 - (c) What date/s are these redundancies proposed to be finalised?

- (d) What date/s were these redundancies proposed and/or announced?
 - (e) What is the full projected monetary value of these redundancies in savings per annum?
69. As you are the lead Minister for the Planning, Industry and Environment Cluster, how many redundancies have been finalised at the Property NSW from July 2020 to date?
- (a) Which departmental areas were these affected position/s previously allocated to?
 - (b) Which geographical area/s were these affected position/s previously located within?
 - (c) What date/s were these redundancies finalised?
 - (d) What is the full monetary value of these redundancies in savings per annum?
70. As you are the lead Minister for the Planning, Industry and Environment Cluster, how many redundancies have been proposed and/or announced but not yet finalised at the Property NSW?
- (a) Which departmental area/s are these affected position/s currently allocated to?
 - (b) Which geographical area/s are these affected position/s currently located within?
 - (c) What date/s are these redundancies proposed to be finalised?
 - (d) What date/s were these redundancies proposed and/or announced?
 - (e) What is the full projected monetary value of these redundancies in savings per annum?
71. As you are the lead Minister for the Planning, Industry and Environment Cluster, how many redundancies have been finalised at the Public Works Advisory from July 2020 to date?
- (a) Which departmental areas were these affected position/s previously allocated to?
 - (b) Which geographical area/s were these affected position/s previously located within?
 - (c) What date/s were these redundancies finalised?
 - (d) What is the full monetary value of these redundancies in savings per annum?
72. As you are the lead Minister for the Planning, Industry and Environment Cluster, how many redundancies have been proposed and/or announced but not yet finalised at the Public Works Advisory?
- (a) Which departmental area/s are these affected position/s currently allocated to?
 - (b) Which geographical area/s are these affected position/s currently located within?
 - (c) What date/s are these redundancies proposed to be finalised?
 - (d) What date/s were these redundancies proposed and/or announced?
 - (e) What is the full projected monetary value of these redundancies in savings per annum?
73. As you are the lead Minister for the Planning, Industry and Environment Cluster, how many redundancies have been finalised at the State Records Authority (NSW) from July 2020 to date?
- (a) Which departmental areas were these affected position/s previously allocated to?

- (b) Which geographical area/s were these affected position/s previously located within?
 - (c) What date/s were these redundancies finalised?
 - (d) What is the full monetary value of these redundancies in savings per annum?
74. As you are the lead Minister for the Planning, Industry and Environment Cluster, how many redundancies have been proposed and/or announced but not yet finalised at the State Records Authority (NSW)?
- (a) Which departmental area/s are these affected position/s currently allocated to?
 - (b) Which geographical area/s are these affected position/s currently located within?
 - (c) What date/s are these redundancies proposed to be finalised?
 - (d) What date/s were these redundancies proposed and/or announced?
 - (e) What is the full projected monetary value of these redundancies in savings per annum?
75. As you are the lead Minister for the Planning, Industry and Environment Cluster, how many redundancies have been finalised at the Sydney Living Museums (Historic Houses Trust) from July 2020 to date?
- (a) Which departmental areas were these affected position/s previously allocated to?
 - (b) Which geographical area/s were these affected position/s previously located within?
 - (c) What date/s were these redundancies finalised?
 - (d) What is the full monetary value of these redundancies in savings per annum?
76. As you are the lead Minister for the Planning, Industry and Environment Cluster, how many redundancies have been proposed and/or announced but not yet finalised at the Sydney Living Museums (Historic Houses Trust)?
- (a) Which departmental area/s are these affected position/s currently allocated to?
 - (b) Which geographical area/s are these affected position/s currently located within?
 - (c) What date/s are these redundancies proposed to be finalised?
 - (d) What date/s were these redundancies proposed and/or announced?
 - (e) What is the full projected monetary value of these redundancies in savings per annum?
77. As you are the lead Minister for the Planning, Industry and Environment Cluster, how many redundancies have been finalised at the Teacher Housing Authority NSW from July 2020 to date?
- (a) Which departmental areas were these affected position/s previously allocated to?
 - (b) Which geographical area/s were these affected position/s previously located within?
 - (c) What date/s were these redundancies finalised?
 - (d) What is the full monetary value of these redundancies in savings per annum?

78. As you are the lead Minister for the Planning, Industry and Environment Cluster, how many redundancies have been proposed and/or announced but not yet finalised at the Teacher Housing Authority NSW Office?
- (a) Which departmental area/s are these affected position/s currently allocated to?
 - (b) Which geographical area/s are these affected position/s currently located within?
 - (c) What date/s are these redundancies proposed to be finalised?
 - (d) What date/s were these redundancies proposed and/or announced?
 - (e) What is the full projected monetary value of these redundancies in savings per annum?

Natural Shade in Public Spaces

79. Can the Minister explain the rationale behind the creation of a \$10 million park in the Gosford electorate, with almost no shade from natural or constructed sources?
- (a) Why were so few large shade trees incorporated into the midst of the park at Leagues Club Field?
 - (b) Were smaller trees used instead due to budgetary concerns?
 - i. If so, why was the need for immediate shade not prioritised for the park's opening?
80. Given that the Central Coast has now been incorporated into the Greater Sydney Commission, will our region now receive similar funding to the Premier's 'Greening Our City' Program?

Little Bay Cove

81. Meriton lodged a Rezoning Review request on 30 April 2020 with DPIE and on 25 June 2020, Brendan Metcalf, Acting Director, Eastern and South District requested the South Eastern City Planning Panel review the proposal. Why has it taken 250 days for this Rezoning Review request to be determined?
- (a) Did Transport for NSW communicate with the NSW Department of Planning, Industry and Environment requesting deferral in the consideration of Rezoning Review RR_2020_RANDW_001_00 / 1406-1408 Anzac Parade, Little Bay (Little Bay Cove) by the Sydney Eastern City Planning Panel?
82. How many times have departmental officials meet with Meriton relating to RR_2020_RANDW_001_00 1406-1408 Anzac Parade Little Bay (Little Bay Cove)?
- (a) Were minutes kept?
 - (b) If so what are the titles of these documents?

Long Bay Gaol

83. Has any investigation into changing the land-use at the Long Bay Correctional Complex been undertaken by the NSW Department of Planning, Industry and Environment?
- (a) If so, what is the nature of this investigation?
84. Has the Minister, ministerial staff or departmental staff met with, corresponded with, or discussed changing the land-use of Long Bay Correctional complex with any other minister or departmental staff
- (a) If so, what is the nature of this communication?
- (b) If written please provide the title of this correspondence.

South Eastern Transport Strategy

85. The South Eastern Sydney Transport Strategy 2056 identifies various land use changes attached to a possible future extension of the Metro to South East Sydney.
- (a) What work has currently been undertaken to facilitate land use changes in this region?
86. Are there currently any state led planning proposals being developed relating to the Anzac Parade corridor or related to the South East Sydney Transport – Future – 2056?

Low Rise Housing Diversity Code

87. Please list the Local Government Areas that have successfully sought exemption from the Low Rise Housing Diversity Code
88. Please list the Local Government Areas that have unsuccessfully sought exemption from the Low Rise Housing Diversity Code

Hazardous Goods Route (Botany Industrial Park)

89. What instrument covers the Hazardous Goods Route?
- (a) What are defined as 'hazardous goods' under this regime?
- (b) What effect does the Hazardous Goods Route have on other planning instruments?
- (c) What development consents in the last 15 years have been conditioned, refused, or modified due to the Botany Hazardous Goods route?
- (d) When was the last time the Hazardous Goods Route was reviewed?

Local Strategic Planning Statements

90. Have any Local Government Areas currently not sought Gateway for their Local Strategic Planning Statement?
 - (a) If not, what actions has the Department or Minister taken to rectify this?
91. Have any Local Government Areas currently been refused Gateway for their Local Strategic Planning Statement?
92. Please list the Local Government Areas who were only granted conditional gateway for their Local Strategic Planning Statement?

Draft Design and Place SEPP and Active Transport Infrastructure

93. Has the Department of Planning, Industry and Environment conducted modelling on the impact of the Draft Design and Place SEPP on the development of pedestrian and cycling infrastructure?
94. Does the Department of Planning, Industry and Environment set goals or targets for the roll-out of pedestrian and cycling infrastructure?
95. If so, what is the total amount of kilometres of new pedestrian infrastructure the Department of Planning, Industry and Environment expects will be built in the next five and ten years if the Draft Design and Place SEPP is adopted?
96. If so, what is the total amount of kilometres of new cycling infrastructure the Department of Planning, Industry and Environment expects will be built in the next five and ten years if the Draft Design and Place SEPP is adopted?
97. What new powers will the Department of Planning, Industry and Environment have to compel developers to construct infrastructure for pedestrians and cyclists if the Draft Design and Place SEPP is adopted?
98. What new powers will local councils have to compel developers to construct infrastructure for pedestrians and cyclists if the Draft Design and Place SEPP is adopted?
99. What new powers will the Department of Planning, Industry and Environment have to specifically compel developers to construct end-of-trip facilities for cyclists if the Draft Design and Place SEPP is adopted?

Footpaths

100. What role does the Department of Planning, Industry and Environment play in the planning and construction of new footpaths in NSW communities?
101. How does the Department of Planning, Industry and Environment ensure the adequate planning and construction of footpaths as part of the NSW Movement and Place framework?
102. How does the Department of Planning, Industry and Environment monitor and evaluate the adequate planning and construction of footpaths as part of the NSW Movement and Place framework?

NSW Public Spaces Legacy Program and active transport projects

103. Of the \$250 million in funding announced as part of the NSW Public Spaces Legacy Program in August 2020, what is the total amount of funding allocated to councils that pertains to new cycling or pedestrian infrastructure?
104. What specific guidelines or conditions were put in place to encourage applicants to construct new infrastructure for people who ride or walk?

Opera House to Parramatta Walk

105. How will the \$500,000 allocated in the 2020-2021 State Budget for the Opera House to Parramatta Pathway be spent?
106. As of 9 March 2021, how much of the above funding has been expended?
107. As of 9 March 2021, what work has the Department of Planning, Industry and Environment conducted to investigate:
 - (a) A foreshore loop in the Blackwattle and Rozelle Bay and repairing and reopening the Glebe Island Bridge to become a key walking and cycling link to Sydney CBD?
 - (b) A 10km foreshore loop around Canada Bay?
 - (c) A new Connecting Canada Bay to the Homebush Bay Circuit?
 - (d) Identifying missing links along the foreshore between Parramatta and Sydney?

Principal Bike Network (PBN)

108. What engagement has the Department of Planning, Industry and Environment had with planning for the Principal Bike Network (PBN)?
109. Has Transport for NSW formally sought advice or feedback from the Department of Planning, Industry and Environment on plans for the PBN?
110. What advice has the Department of Planning, Industry and Environment provided to Transport for NSW on plans for the PBN?
111. What is the total amount of funding spent in 2019-2020 by the Department of Planning, Industry and Environment on projects associated with the PBN?
112. What were the projects and what was the amount spent on each project?
113. What is the total amount of funding allocated to the Department of Planning, Industry and Environment for projects associated with the PBN in 2020-2021?
114. What are the projects to be funded and what is the amount to be spent on each project?

Streets as Shared Spaces

115. What was the total number of applications for the Streets as Shared Spaces grant program?
116. What was the total amount of funding requested for the Streets as Shared Spaces grant program?
117. How much of the total funding in the Streets as Shared Spaces grant program has been expended as of 9 March 2021?
118. Have all the successful projects in Category 1 of the Streets as Shared Spaces grant program been completed?
 - (a) If not, which projects have not yet been completed?
119. Have all the successful projects in Category 2 of the Streets as Shared Spaces grant program been completed?
 - (a) If not, which projects have not yet been completed?
120. Will the grant program be replicated given the ongoing impacts of COVID-19 on communities?
121. How is the success of the Streets as Shared Spaced grant program being evaluated?

Walking Space Guide

122. What initiatives has the Department of Planning, Industry and Environment introduced in 2020-2021 to increase the awareness and utilisation of the Walking Space Guide?
123. What is the total amount of funding spent in the 2019-2020 financial year on developing, publishing, operating, monitoring or evaluating the Walking Space Guide?
124. What is the total amount of funding allocated in the 2020-2021 State Budget on developing, publishing, operating, monitoring or evaluating the Walking Space Guide?
125. How is the Department of Planning, Industry and Environment measuring the uptake of the Walking Space assessment tool?

Greater Parramatta Olympic Peninsula Place-based Infrastructure Compact

126. The Greater Parramatta Olympic Peninsula Place-based Infrastructure Compact (GPOP Compact) pact was drafted in November 2019. On 23 December 2020, Government released a Response to the Recommendations Report. When will the GPOP Compact be finalised?
127. The Response to the Recommendations Report regarding the Greater Parramatta Olympic Peninsula **Place-based Infrastructure Compact**, published on 23 December 2020, indicates that Member for Parramatta had a *'Concern around the costs and method used for the PIC, particularly for the Camellia-Rosehill precinct'*, did the Minister have concerns regarding the costs and methods used?
 - (a) If so:
 - i. Why did the Draft GPOP Compact to proceed to publication?
 - ii. Did the Minister or any member of the Department refute or raise concerns with the costs and methods used?
 - iii. Were any concerns regarding the costs and methods used recording prior to, or after publication?
 - (b) If not,
 - i. Does the Minister reject the Member for Parramatta's *'Concern[s] around the costs and method used for the PIC, particularly for the Camellia-Rosehill precinct'*?
 - ii. If the Minister does not doubt in the costing methodology, why has Camellia-Rosehill been carved out as a separate place based strategies?
 - iii. Does the Minister have faith in Dr Sarah Hill who has a PhD in the Economics of City Planning?

Camellia Prison

128. In December 2020, the *Sydney Morning Herald* reported that Government was planning a 1,000 inmate prison at Camellia. Is the Department of Planning aware of a planned prison in Camellia?
- (a) If so,
 - i. How advanced is the planning?
 - ii. Has government assessed the remediation costs at a residential level, rather than the lower industrial or commercial remediation standard?
 - iii. Has government consulted with landowners that are seeking to plan a town centre at Camellia?
 - iv. Has government consulted with the Parramatta City Council or any other council on this matter?
129. Is seeking to 'socialise' land at Camellia, to avoid private developers and historic polluters from fitting the cost of remediation?

Contamination

130. The September 2015, the NSW Department of Planning and Environment commissioned the Camellia Precinct Contamination Remediation Study through Golder Associates Pty Ltd, is this study still being used to inform planning considerations and land acquisitions?
131. Can you confirm that the taxpayer will not be required to fit the bill for remediation on future acquisitions by DPIE?
132. Has government since implemented any procedures that would stop a repeat of the acquisition of 6 Grand Avenue by Transport for NSW, which has left the NSW taxpayer liable for remediation?
133. Has the Minister been briefed on any other case where the NSW government has assumed the remediation liability for any other projects?
134. What is the financial liability for contaminated land in your portfolio?

North Wilton – Landcom Acquisition

135. The Sydney Morning Herald published an article in March 2021 titled: 'Landcom pays \$100m more than seller's evaluation for site near Sydney'. The contracts were exchanged on 16 June 2020 and that the Board of Landcom and the Governments Executive Review Committee jointly approved the transaction. Did you sponsor the submission to the Expenditure Review Committee?

- (a) When did the Minister become aware that the property was valued at only \$155 million in 2019?
- (b) When did the Minister become aware that there was no probity plan or probity report accompanying the sale, is this considered normal practice?

North Wilton Supporting Infrastructure

- 136. With regards to the \$950 million in infrastructure committed to supporting North Wilton, what is the logic behind committing close to a billion in infrastructure funding on land that government did not own intended to buy?
- 137. Did the DPIE model the increased value of the land as a result of the \$950 million infrastructure commitment?
- 138. What is the timeframe to implement the \$950 million in infrastructure funding?
 - (a) How much of the \$950 million is road related?
 - (b) How much of the \$950 million is transport related?
 - (c) How much of the \$950 million is education related?
 - (d) How much of the \$950 million is health related?
 - (e) How much of the \$950 million is utility services related?

Landcom

- 139. Mr Brogden has previously indicated that he maintained a longstanding friendship with Mr Peter Brennan, CEO of Bradcorp. When did the Minister first become aware of this friendship?
- 140. Did Mr Brogden make a written or verbal declaration to the Minister regarding his friendship with Mr Brennan?

ePlanning Portal

- 141. What is the Estimated Total Cost of the ePlanning Portal?
- 142. How much money has been incurred to date on the ePlanning Portal?
- 143. What is the completion date for each stage of the ePlanning Portal?
- 144. How many stages are involved in the ePlanning Portal?

145. Who developed the Planning Portal, was it developed by department officials or external consultants?
146. Which company or companies developed the ePlanning Portal?
 - (a) If it was developed externally, was it open to an open tender process?
147. How many complaints has the government received about the operation of the Portal?
148. How are those complaints being addressed?
149. What is the government doing to address the issues raised?
150. Has the government considered suspending the operation of the Portal until all these matters are addressed?
 - (a) If not, why not?
151. When is the project expected to be complete?
152. Page 4-8 of the current budget papers indicates ‘This measure will support the rollout of Stage 4 of ePlanning, which will increase revenue from the sale of goods and services by \$44.0 million over the four years to 2023-24.’ In the mid-year budget that figure changed to \$92 million over four years, what prompted the change?
 - (a) Is the project to streamline the planning process or to derive revenue?
 - (b) Who is the revenue coming from, is it council or applicants?
 - (c) How much revenue is being generated?
 - (d) Is the revenue entirely captured by the NSW Government or is the private sector developer also generating revenue from each transaction?

Employees

153. Minister, for each department, agency, State-owned corporation or other body, and for each division of those bodies, if any, in your portfolio:
 - (a) What is the gender pay gap, both generally and across those employees in SEB or SEB-equivalent bands?
 - (b) What is the highest remuneration for female employees– both generally and for SEB/SEB-equivalent employees?
 - (c) What is the lowest pay received by female employees – both generally and for SEB/SEB-equivalent employees?

- (d) What is the average remuneration received by female employees – both generally and for SEB/SEB-equivalent employees?
- (e) What is the highest remuneration for male employees– both generally and for SEB/SEB-equivalent employees?
- (f) What is the lowest pay received by male employees – both generally and for SEB/SEB-equivalent employees?
- (g) What is the average remuneration received by male employees – both generally and for SEB/SEB-equivalent employees?
- (h) How many female and how many male SEB or SEB-equivalent employees are there?
- (i) What is the highest number of direct reports to female SEB or SEB-equivalent employees?
- (j) What is the lowest number of direct reports to female SEB or SEB-equivalent employees?
- (k) What is the average number of direct reports to female SEB or SEB-equivalent employees?
- (l) What is the highest number of direct reports to male SEB or SEB-equivalent employees?
- (m) What is the lowest number of direct reports to male SEB or SEB-equivalent employees?
- (n) What is the average number of direct reports to male SEB or SEB-equivalent employees?
- (o) What is the highest number of staff managed by female SEB or SEB-equivalent employees?
- (p) What is the lowest number of number of staff managed by female SEB or SEB-equivalent employees?
- (q) What is the average number of number of staff managed by female SEB or SEB-equivalent employees?
- (r) What is the highest number of staff managed by male SEB or SEB-equivalent employees?
- (s) What is the lowest number of number of staff managed by male SEB or SEB-equivalent employees?
- (t) What is the average number of number of staff managed by male SEB or SEB-equivalent employees?
- (u) In providing answers to questions (a) to (t), please provide the information for each SEB band or band equivalent.
- (v) What steps are you taking to eliminate the gender pay gap?
- (w) What timeframe have you set to eliminate the gender pay gap?

154. Cluster Secretary- for each department, agency, State-owned corporation or other body, and for each division of those bodies, if any, in your Cluster:

- (a) What is the gender pay gap, both generally and across those employees in SEB or SEB-equivalent bands?
- (b) What is the highest remuneration for female employees– both generally and for SEB/SEB-equivalent employees?

- (c) What is the lowest pay received by female employees – both generally and for SEB/SEB-equivalent employees?
- (d) What is the average remuneration received by female employees – both generally and for SEB/SEB-equivalent employees?
- (e) What is the highest remuneration for male employees– both generally and for SEB/SEB-equivalent employees?
- (f) What is the lowest pay received by male employees – both generally and for SEB/SEB-equivalent employees?
- (g) What is the average remuneration received by male employees – both generally and for SEB/SEB-equivalent employees?
- (h) How many female and how many male SEB or SEB-equivalent employees are there?
- (i) What is the highest number of direct reports to female SEB or SEB-equivalent employees?
- (j) What is the lowest number of direct reports to female SEB or SEB-equivalent employees?
- (k) What is the average number of direct reports to female SEB or SEB-equivalent employees?
- (l) What is the highest number of direct reports to male SEB or SEB-equivalent employees?
- (m) What is the lowest number of direct reports to male SEB or SEB-equivalent employees?
- (n) What is the average number of direct reports to male SEB or SEB-equivalent employees?
- (o) What is the highest number of staff managed by female SEB or SEB-equivalent employees?
- (p) What is the lowest number of number of staff managed by female SEB or SEB-equivalent employees?
- (q) What is the average number of number of staff managed by female SEB or SEB-equivalent employees?
- (r) What is the highest number of staff managed by male SEB or SEB-equivalent employees?
- (s) What is the lowest number of number of staff managed by male SEB or SEB-equivalent employees?
- (t) What is the average number of number of staff managed by male SEB or SEB-equivalent employees?
- (u) In providing answers to questions (a) to (t), please provide the information for each SEB band or band equivalent.
- (v) What steps are you taking to eliminate the gender pay gap?
- (w) What timeframe have you set to eliminate the gender pay gap?

Questions from the Hon Mark Banasiak MLC

Koala SEPP

155. What consultation was undertaken with rural land owners while making the changes to the new agreement over koala policy?
156. What consultation was undertaken with private native forestry workers while making the changes to the new agreement over koala policy?
157. How many farmers will be affected by these changes, and to what extent?
158. How many private native forestry workers will be affected by these changes, and to what extent?
159. Will compensation be paid to land owners when new restrictions on their business are imposed?
160. Why are the existing codes not sufficient to protect a vulnerable classified species such as the koala?
 - (a) What species are next to get their own code?

Questions from Mr Justin Field MLC

Natural Resources Commission review into post-fire harvesting

161. In regards to the Natural Resources Commission's review of post-fire logging and how to find a pathway back to the Coastal Integrated Forestry Operations Approval (CIFOA):
 - (a) Will the terms of reference for this review be made public?
 - (b) What is the timing for this review?
 - (c) What kind of options can be presented out of the review?
 - i. Are legislative changes, for example and amendment to the CIFOA, within the terms of reference?
 - (d) Will the updated 'Sustainable Yield in New South Wales Regional Forest Agreement Regions' report, recently finalised by the Department of Primary Industries as required under the CIFOA and Regional Forestry Agreements, be considered as part of this review?

Sustainable Yield Report

162. Has the NRC been involved in, had access to, or provided any analysis of, the updated 'Sustainable Yield in New South Wales Regional Forest Agreement Regions' report, recently finalised by the Department of Primary Industries?

- (a) If so, please explain
- (b) If not, is this something that the Minister for Planning considers should occur?

Timber supply issues

163. It is understood that in 2015 the NRC was commissioned by the former Minister for Primary Industries, Niall Blair, to assess options in regards to the North Coast Timber Industry supply issues. Has any further work been done by the NRC to address timber supply issues on the North Coast?
- (a) If not, is the NRC of the view that these timber supply issues would still be outstanding?
 - (b) If so, what options have been canvassed in response to this issue?
164. Is the NRC aware of similar timber supply issues in other Regional Forestry Agreement Regions that were apparent before the 2019/20 bushfires?
- (a) If so, which regions?
165. Is the NRC involved in, or aware of, renegotiations on wood supply agreements for non-Boral contracts which expire in 2023?
- (a) If so, what is the NRC's involvement?

Land Management (Native Vegetation) Code 2018

166. Is the NRC involved in the review of the Land Management (Native Vegetation) Code 2018?
167. In regards to the NRC's July 2019 report 'Land management and biodiversity conservation reforms: Final advice on a response to the policy review point':
- (a) Is the NRC satisfied that the Government has responded to recommendations made in the report?
 - i. If not, please explain and refer to specific recommendations
 - (b) Has the Government provided any further update on the achievement of recommendations beyond their initial response?
 - i. If so, please explain and refer to specific recommendations

November 2020 ICAC report into water management

168. Recommendation 3 of the Independent Commission Against Crime November 2020
'Investigation into complaints of corruption in the management of water in New South Wales and systemic non-compliance with the Water Management Act 2000' refers to the adoption of changes the DPIE has proposed to the Barwon-Darling Water Sharing Plan (BDWSP). These changes were largely proposed as a result of the NRC's review into the BDWSP. Can the NRC provide an update on the status and quality of implementation of its recommended changes to the BDWSP, with specific reference to the recommendations listed in recommendation 3 of the ICAC report?
169. Recommendation 6 of the abovementioned ICAC report provided for DPIE to prioritise and seek to bring forward audits of any water sharing plans that have not, to date, been audited under section 44 of the Water Management Act 2000. Can the NRC please provide an update on:
- (a) What audits have been completed since 2019?
 - i. Which of these have not been made public?
 - (b) Which of these have been responded to by the Government?
 - i. What audits are currently being carried out by the NRC?
 - (c) What audits are yet to be completed by the NRC?
170. The ICAC report found that DPIE had consistently failed to apply the hierarchy of water sharing as required in section 5 and 9 of the Water Management Act 2000. Has the NRC completed any analysis of whether current water sharing plans are consistent with the hierarchy?
- (a) If so, please explain
 - (b) If not, does the NRC think it appropriate in light of recommendations 1 and 2 of the ICAC report to assess DPIE implementation of the water management hierarchy?

NRC review of the Peel Valley Water Sharing Plan

171. In regards to the May 2020 NRC Review of the Water Sharing Plan for the Peel Valley Regulated, Unregulated, Alluvium and Fractured Rock Water Sources 2010:
- (a) Has the Government responded to the recommendations?

- (b) Is the NRC aware of any changes to the water sharing plan as a result of the review?
- (c) Is the NRC aware of whether the draft changes to the Peel Valley water sharing plan that was submitted to the Murray Darling Basin Authority as part of the water resource plan development process incorporated any of the recommendations in the review?
