Marobar Holdings' correspondence articulates probity concerns regarding the precinct planning process for Rhodes from 2017 to present, and the proposed zoning of land at [REDACTED] Leeds Street, Rhodes, of which it is the owner. [REDACTED]

The Department is of the view that the information provided does not meet the threshold test as required by section 11 of the *Independent Commission Against Corruption Act 1998*, however it is passed onto the Commission for consideration and assessment, [REDACTED]

The Department does not intend to conduct an investigation into this matter, as the correspondence does not make any allegations of corrupt conduct in relation to its employees. Marobar Holdings will be advised of the Department's decision.
