Key assumptions made in the policy	
Does the policy relate to a previous announcement? If yes, which announcement?	
What assumptions have been made in deriving the financial impacts in your estimated costing? <i>(See checklist)</i>	This is expected to be regulatory in nature and have no impact on the budget estimates. It is not anticipated that the budget would reflect any impacts related to additional coal fired power plants.
Is there a range for the costing or any sensitivity analysis that you have undertaken?	No.
Are there associated savings, offsets or, in the case of a revenue proposal, offsetting expenses? If yes, please provide details.	..
Are there significant costs or savings outside the forward estimates period which should be considered in costing this policy? ³	..

Administration of policy	
Intended date of implementation:	Upon formation of government.
Intended duration of policy ⁴ :	Ongoing.
Who will administer the policy (e.g. Government entity, non-government organisation, etc.)?	Department of Planning and Environment.
Are there any specific administrative arrangements for the policy that need to be taken into account (e.g. agreements between different levels of government)?	Changes to legislation would be required.
Are there transitional arrangements associated with policy implementation?	No.

³ Particularly important for large projects with long lead times, policies with a delayed timetable for implementation, or policies where up-front investment is required to achieve long term savings.

⁴ Where a policy is intended to be ongoing, please indicate "ongoing" in the space to the right
