<b>Key assumptions made in the policy</b>	
Does the policy relate to a previous announcement? If yes, which announcement?	
What assumptions have been made in deriving the financial impacts in your estimated costing?	<p>The policy would reduce funding to general government sector agencies by \$150m cumulatively by 30 June 2026.</p> <p>The scope of the policy would include government departments, commissions, panels, boards, committees and taskforces.</p> <p>The policy would reduce cluster funding by a duplication and waste quota based on a pro-rated amount of the total saving. Frontline services would be excluded. Agencies must work with central agencies to identify and agree areas of duplication in their portfolios in order to meet the require saving. Other areas of inefficiency and waste may also be nominated.</p>
Is there a range for the costing or any sensitivity analysis that you have undertaken?	No
Are there associated savings, offsets or, in the case of a revenue proposal, offsetting expenses? If yes, please provide details.	...
Are there significant costs or savings <b>outside</b> the forward estimates period which should be considered in costing this policy? <sup>5</sup>	...

<b>Administration of policy</b>	
Intended date of implementation:	1 July 2023.
Intended duration of policy: <sup>6</sup>	To 30 June 2026.
Who will administer the policy (e.g. Government entity, non-government organization, etc.)?	Whole-of-government, Treasury.
Are there any specific administrative arrangements for the policy that need to be taken into account (e.g. agreements between different levels of government)?	No.
Are there transitional arrangements associated with policy implementations?	...

<b>If the policy is mainly an expenditure<sup>7</sup> commitment</b>
--

<sup>5</sup> Particularly important for large projects with long lead times, policies with a delayed timetable for implementation, or policies where up-front investment is required to achieve long term savings.

<sup>6</sup> Where a policy is intended to be ongoing, please indicate "ongoing" in the space to the right.

<sup>7</sup> Expenditure is operating expenses, e.g. salaries, interest cost and grants. Expenditures are fully included in the impact on
